

Phil Royle from Donmog has asked if we would like to join in.....

On June 17th which is Fathers` Day (strangely enough comes 9 months before Mothers` Day)- the Rotary Club of Derby are organising a charity fund raising Family Day at Elvaston Country Park. They are hoping to have some nice-looking cars there and as a result they have asked would any Morgans be interested in attending.

The Show starts at 11am and goes on until evening - but Classics are asked to arrive about 10am so they can get parked up neatly. Parking will be free and cars can leave when they wish. Let me know if interested - it should be a good day out with car clubs there and fairground rides -+ possibly steam/traction engines (which they had in the past!).
