

PENISTONE GALA AND PARADE - CALLING ALL CLASSIC AND INTERESTING VEHICLE OWNERS!

We would like to invite you to bring your classic (or interesting!) vehicle and attend the Penistone Gala and Parade, which will take place in Penistone on Sunday 10th June 2018.

As usual, the vehicles can park on Penistone Showground in the morning and then head down to participate in the parade or head straight to the parade; lining up on the Showground after for gala. Parade participants start as usual from Talbot Road, Penistone, with the parade setting off at 12 noon for a circular route around the town (about 1 mile). Vehicles then reassemble in the classic car area of the Gala showground to be displayed for the remainder of the afternoon. The day will finish about

4.30 pm. WE ASK THAT CLASSIC VEHICLES LEAVE THE PARADE PARTWAY ROUND THE ROUTE TO ENTER THE SHOWGROUND AT THE TOP ENTRANCE - RATHER THAN RETURN TO TALBOT ROAD - A MARSHAL WILL LEAD YOU OFF.

The parade will involve an extensive number of floats and groups from the local area and is a highlight for Penistone; spectators are always very well attended - including loads of children. This year's theme for the parade and gala is 'Musicals Through the Ages'. Therefore, any musical themed outfits (from stage and screen including Disney films) would be greatly appreciated by the crowds! Feedback from classic car participants is that driving round in the parade is a highlight for them.

If you would like to attend please reply to

with contact details and what vehicle(s) you'll be driving. There's no fee to enter and there'll be judging and trophies from our Mayor, Gillian Millner.

Please come along and enjoy a great day out! The display of classic vehicles is a popular attraction at the show.

Please share with anyone who may be interested!

Please ask if you have any questions.

Many Thanks
